

## Payment of Federal Taxes Online

1. Navigate to: <https://www.irs.gov/>

2. Click on "Make a Payment"

Bank Account  
(Direct Pay)

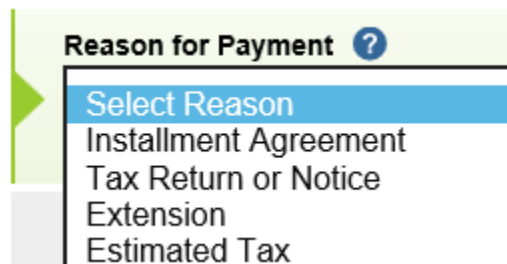

3. Click on "Bank Account (Direct Pay)"

Make a Payment

4. Click on "Make a Payment"

5. Choose the type of payment you will make (the three most common reasons):
  - a. Tax Return or Notice – when your return is final and you know exactly how much you owe
  - b. Extension – when you are extending your tax return and making a payment with the extension
  - c. Estimated tax – estimated tax payments made throughout the year

6. In the "Apply Payment To" section, choose "1040, 1040A, 1040EZ" if the type of payment is Tax Return. If the type of payment is Extension or Estimated Tax, the choice will be selected for you.
7. "Tax Period for Payment" is the tax year. For example, if you are making a payment for your 2019 Income tax, enter 2019. If you are making a payment for your 2020 estimated taxes, enter 2020.
8. Follow the rest of the prompts to enter your personal information.
